Our satisfied customers

“Just wanted to write a note to say how happy I am with my new home.”

“We would recommend anyone considering buying a new build in this part of the world to look first at Abel Homes – they won't be disappointed.”

“Having just moved into our new build home from Abel Homes we can honestly say what a great experience we have received from start to finish.”

“The overall quality of the build is fantastic, we have a beautiful kitchen and the quality of the bathrooms is great too! We feel privileged to have been able to buy an Abel Home.”

“We were very impressed by the quality of our Abel Homes build and the beautiful Norfolk village location. The friendly Abel Homes team work with you and support you through the process of moving home. We had looked at other developments in the area but they didn't match up to the standard and community feel we were looking for. The longevity of an eco-friendly design is a huge plus and we know we have purchased a home that will look after us for many years to come.”

“A lot of thought has gone into designing a modern family home that suits our requirements exactly.”

Raising our standards

At Abel Homes we pride ourselves in offering excellent customer service throughout the home buying process and ultimately, a superb home at the end of this journey.

We are proud that several members of the same family may live on an Abel development, or indeed, we find customers living in their second or third Abel property. Our 'Recommend a friend' scheme has proved very popular, as our customers love their homes and cannot wait to recommend us to their friends and family. As a result, we have given away thousands of pounds to happy customers who have recommended a friend or family member, who has then bought one of our properties. You too could take advantage of this scheme.

We are not the only ones who feel that Abel Homes offer a superior buying service and build quality. Our testimonials speak for themselves and the awards our Site Managers have won from the NHBC (National House Building Control) recognise the high standards we are so proud to achieve.

The NHBC are the UK's leading warranty and insurance provider for UK house-building for new homes. Their stated purpose is to give homeowners confidence in the quality of new homes.

“The NHBC awards reflect exceptional performance on site, which is the backbone of our philosophy as a local house builder. It is a reflection of the efforts we put into all of our developments to ensure that we are producing the very highest quality new homes in Norfolk.”

The NHBC awards are given following a 'Michelin Guide' style inspection by an NHBC inspector, who assesses site managers against 38 strict criteria, including workmanship, excellent leadership skills, technical expertise, the ability to turn the designer's intentions into reality, good health and safety standards and a commitment to raising standards.”
