

TAURSHAM PARK

TAVERHAM

Abel
Homes

Taursham Park is an ode to the past, as Taverham Mill was listed in the Domesday Book as being situated in the village of Taursham. For the last 200 years of its life, Taverham Mill produced high quality paper, which was used for many things, including the 1st revised edition of the Bible, the Oxford Dictionary, bank notes and several daily newspapers. Nowadays the old Taverham Mill site is encompassed within a 100-acre nature reserve, which is situated by the old weir and mill pool on the River Wensum.

This boasts some specular views and is a haven for anglers, walkers and nature lovers.

Raising our standards

At Abel Homes we pride ourselves in offering excellent customer service throughout the home buying process and, ultimately, a superb home at the end of this journey.

We are proud that several members of the same family may live on an Abel development, or indeed, we find customers living in their second or third Abel home.

Our 'Recommend a friend' scheme has proved very popular, as our customers love their homes and cannot wait to recommend us to their friends and family. As a result, we have given away thousands of pounds to happy customers who have recommended a friend or family member, who has then bought one of our properties. You too could take advantage of this scheme.

We are not the only ones who feel that Abel Homes offer a superior buying service and build quality. Our testimonials speak for themselves and the awards our Site Managers have won from the NHBC (National House Building Council) recognise the high standards we are so proud to achieve.

The NHBC are the UK's leading warranty and insurance provider for UK house-building for new homes. Their stated purpose is to give homeowners confidence in the quality of new homes.
